GLENROTHES ORAL HISTORY FEEDBACK EVENT

Wednesday 31 August 2022, 2.30pm

Room 10, Rothes Halls, Glenrothes KY7 5NX

The aim of our project is to find out about the experiences of people who live, or have lived, in the Scottish New Towns and we've interviewed people from Glenrothes. We've spoken with people from the first generation of residents, their children's generation and grandchildren's too.

Come along, find out more and let me know your views and opinions.
